40th Annual MFDA Scholarship Awards Meeting

Thursday, June 27, 2019- 6:00 P.M.

Al Di La Ristorante

One Hoboken Road, East Rutherford, NJ 07073

(201) 939-1128

\$60/person for dinner

Please join your fellow members of the MFDA and meet the outstanding scholarship recipients as we celebrate our 40th Annual MFDA Scholarship Awards Dinner.

For 40 years, the MFDA, through its member companies, has been dedicated to helping furnish the means for our members' employees and their children to attain higher education by awarding annual educational scholarships. Over the years, members' contributions have assisted hundreds of students in their quest for learning and the process of becoming productive adults in our society.

We thank anyone who has already contributed to this fund for 2019 and welcome contributions from others who would still like to contribute. An opportunity to do this is included on the registration form below.

This Annual Scholarship Awards Meeting is just one opportunity where we, as an organization, can feel proud of the good will and purpose of our MFDA. It is one method we have to carry forward a token of what the Fastener Industry has brought to its members. It is an evening you won't want to miss!
