

MEMBERSHIP APPLICATION

METROPOLITAN FASTENER DISTRIBUTORS ASSOCIATION

MFDA PURPOSE

The MFDA's purpose is to serve and promote the **fastener** industry and the everchanging needs of its memberships.

Specifically; the MFDA is dedicated to representing all segments of the industry: manufacturers, distributors, importers and suppliers. Our principal benefit: the opportunity to network - to make useful and beneficial contacts within the industry.

This service, promotion and representation are provided in a number of ways that give *each* member (large or small) many opportunities to benefit by belonging. Our goal is to improve and extend knowledge of new ideas and practices in the fastener industry and to gather and disseminate information that will effect *all* of us.

The MFDA holds general and special meetings, sponsors an annual Table-Top Show and golf-outing, other social events, monthly board meetings and awards annual scholarships to children of member companies and continually searches for new ideas, programs and ways to grow and expand. 2022 marks the 43rd anniversary of the Scholarship Awards.

These are accomplished by member participation and interest in making the MFDA a successful organization. We have been in existence for *over* 50 years and are looked to for the leadership role we *and* our member companies play within the fastener industry.

All MDA events are offered to members at a lower-cost and on a priority basis.

Your MFDA membership also includes membership in the Fastener Industry Coalition.

FEES: Annual Membership: \$350.00
