Please join your fellow members of the MFDA & friends as we honor our past and celebrate our future with the induction of the MFDA Hall of Fame Class of 2025, and the 46th annual awarding of MFDA Scholarships!

For 46 years, the MFDA, through its member companies, has been dedicated to helping furnish the means for our members' employees and their children to attain higher education by awarding annual educational scholarships. Over the years, members' contributions have assisted hundreds of students in their quest for learning and the process of becoming productive adults in our society.

The MFDA Hall of Fame was established in 2016 as a way for the Association to honor those members who have made outstanding contributions to the MFDA and the Fastener Industry as a whole.

These awards are just some of the opportunities where we, as an organization, can feel proud of the good will and purpose of our MFDA. It is an evening you won't want to miss!
